

In response to Covid-19, County Animal Hospital offers video consultations through TeleTails, a way to connect with us digitally. Not all health concerns can be addressed this way, but many can.

Pre-schedule a **live video visit** with County Animal Hospital using your smartphone.

**Call our office 845-634-4607 to set up a TeleTails consult date and time.
Then follow the 5 easy steps below.**

Connect With
County
Animal
Hospital

Digitally

Access high quality, trusted veterinary care from your home or office.

You can now pre-schedule a **live video visit** with County Animal Hospital using your smartphone.
Please call 845.634.4607 in case of emergency

- 1 Download TeleTails
